

2016 SPONSORSHIP PACKET

4th Annual River Valley Superhero 5K

IRS 501(c)3 Non-Profit Organization

HISTORY OF THE SUPERHERO 5K

Brenda Stephenson (Arkansas State Police) and Tammy Marcoe (Russellville Police Department) started to plan the first Superhero 5K in 2013 after the son of Tammy's co-worker was diagnosed with an inoperable brain tumor. The race was an effort to raise funds for Carter Nuckols, son of Russellville Police Officer Michael Nuckols. Carter's campaign was "Hero's for Carter" and heroes are exactly what we got- SUPERHEROES!

The River Valley community came together and made the race a success with nearly 500 participants, making the Superhero 5K Russellville's 5K ever! Brenda and Tammy enlisted the help of Jaime Keys (Arkansas Probation and Parole) to organize a kids' fun run that was unforgettable! An astounding amount of volunteers made the event possible. Organizers were able to donate over \$8200 to the Nuckols family to help with their medical and travel expenses.

Due to the overwhelming community support, Brenda, Tammy, and Jaime decided to make the race an annual event, honoring a different child in the community each year. The goal is to raise awareness of child cancer and to continue bringing the community together while helping those affected financially.

In 2014, three families were chosen as beneficiaries: Morgan Schwehm of Russellville, Korey Heath of Russellville, and Brea Bunting of Dardanelle. Again, the community came together to make the race very successful and nearly \$13,000 in race proceeds was split between the families.

The 2015 beneficiary was infant Liam Holland of Russellville. Yet again, the community came through and allowed us to donate approximately \$9,000 to the Holland family.

2016 BENEFICIARIES

This year we have chosen two girls to represent as our heroes at the 2016 River Valley Superhero 5K. Pictured left is Samantha Bartlett, 16 years old of Russellville, and pictured right is Alyonna Harris, 3 years old of Russellville.

Samantha, or “Mantha”, was born with a rare chromosome deletion disorder and microcephaly. She is wheelchair-bound and is completely dependent in every area of her life. Samantha’s mom, Kristi, has been trying to raise funds to get a dependable wheelchair-accessible van so that she can get Samantha to and from her doctor appointments with ease.

Alyonna, or “Aly” was diagnosed in late 2015 with acute lymphoblastic leukemia and has been undergoing chemotherapy treatments at Arkansas Children’s Hospital in Little Rock. Due to her immune deficiency disorder, Aly is unable to attend daycare or be around anyone that may be sick. This has forced Aly’s mom, Kylia Santini, to take a leave of absence from work to stay home with Aly. Aly has two siblings, 7 year old Addalynn and 3 month old Kailian.
