

2017 SPONSORSHIP PACKET

5th Annual River Valley Superhero 5K

IRS 501(c)3 Non-Profit Organization

HISTORY OF THE SUPERHERO 5K

Brenda Stephenson (Arkansas State Police) and Tammy Marcoe (Russellville Police Department) started to plan the first Superhero 5K in 2013 after the son of Tammy's co-worker was diagnosed with an inoperable brain tumor. The race was an effort to raise funds for Carter Nuckols, son of Russellville Police Officer Michael Nuckols. Carter's campaign was "Hero's for Carter" and heroes are exactly what we got- SUPERHEROES!

The River Valley community came together and made the race a success with nearly 500 participants, making the Superhero 5K Russellville's 5K ever! Brenda and Tammy enlisted the help of Jaime Keys (Arkansas Probation and Parole) to organize a kids' fun run that was unforgettable! An astounding amount of volunteers made the event possible. Organizers were able to donate over \$8200 to the Nuckols family to help with their medical and travel expenses.

Due to the overwhelming community support, Brenda, Tammy, and Jaime decided to make the race an annual event, honoring a different child in the community each year. The goal is to raise awareness of child cancer and to continue bringing the community together while helping those affected financially.

In 2014, three families were chosen as beneficiaries: Morgan Schwehm of Russellville, Korey Heath of Russellville, and Brea Bunting of Dardanelle. Again, the community came together to make the race very successful and nearly \$13,000 in race proceeds was split between the families.

The 2015 beneficiary was infant Liam Holland of Russellville. Yet again, the community came through and allowed us to donate approximately \$9,000 to the Holland family.

For 2016, even though attendance was slightly down, the sponsors came through and saved the day. We were able to donate a total of \$13,000 to Samantha's and Aly's families.

2017 BENEFICIARY

Aiden Tucker Watters is the 15 year old son of Jeremy Watters (wife Kathy) of Morrilton and Summer James (husband Jeff) of Plumerville. Aiden has three brothers (Drew-19, Daeron-18, Blake-14) and one sister (Sydnie-12).

Aiden and his family have had several difficult events since November 2016. His stepmother, Kathy, had an illness that required major surgery and an extended recovery time. During this same month, Aiden's stepfather, Jeff, lost his battle with liver disease and renal cell carcinoma. The family hoped that December would be a better month. However, Aiden developed a bad cough the week of his stepfather's funeral. Not long after that, he started having shortness of breath. He was taken to his family physician. When the doctor did a chest x ray, it was apparent that something was not right. Aiden and his family were sent immediately to Arkansas Children's Hospital. Aiden was quickly examined and after several tests, the family heard the news that a parent never wants to hear. Aiden had a very large mass in his chest that was causing severe respiratory distress. The mass was caused by T-Cell Acute Lymphocytic Leukemia.

Aiden completed his first induction of chemotherapy in January 2017 at Arkansas Children's Hospital. He has had several bumps along the way. The most recent being a large blood clot in his right arm that required another week long hospital stay. However, the doctors are pleased with his progress. Aiden's form of ALL has a 99% remission rate. He still has a long road to complete remission. However, Aiden is a very determined, strong young man. He and his family cannot wait to see what the future holds for Aiden. #AidensArmy
